

How to find Barlow Nurseries

Travelling from the north or south on the A41, follow our brown tourist signs, taking the Cheswardine road from Chetwynd Church.

From Newport town centre, travel north along the Chetwynd Road; at Chetwynd Church turn left (north) onto the A41, and almost immediately right onto the Cheswardine Road. After the hump-back bridge, take the second left turn, still following Cheswardine signs, and find us about a mile later, on the right hand side, about 200 yards after passing the airfield control tower.
